A report carried on cnnindonesia site (on 26 May) reads that a seminar entitled “A Study on Establishing Khilafah in Bandung will certainly be held from 09.00 a.m. up to 03.00 p.m. (local time) at Wahaf Pro building Bandung on Sunday (27 May)”.

Denying the report, the Deputy CEO of Sinergi Foundation, Asep Irawan, said that the event had been cancelled.

He also said that the committee (of the event) had already talked to the management of the building about the cancellation on Saturday around 07:59 p.m. (local time).

Regretting that the media had never made any confirmation to the committee before carrying the report, he said that the media had also talked about many untrue things such as Luthfi Afandi who had, in fact, stopped working for the Foundation since December 2015, and other wrong information about both the building and the foundation.

Asep Irawan hoped that his clarification help any parties finding the true information on the seminar.
